 each day!

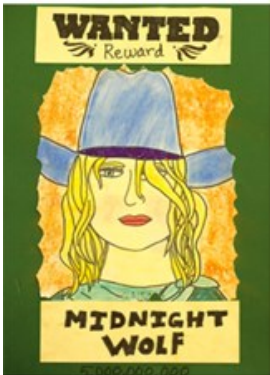

Friday, 9/15, Watercolor Places and Pencil Cases

Design vibrant Painted Pencil Cases using a special resist technique and learn about one-point perspective while creating Watercolor Landscape Paintings. Plus, learn about symmetry while building a gorgeous Macaroni Mandala out of colorful pasta!

Friday, 1/12, All Aboard: Amazing Art from Around the Globe

Journey across the world in this excellent multi-cultural art-venture! First, travel to Mexico and paint gorgeous Wooden Animal Puzzles in the style of Oaxacan Alebrijes (brightly patterned wood animal sculptures). Then head off to Australia to sculpt Clay Aboriginal Masks using a very cool technique inspired by Aboriginal dot art. Finally land in Africa, where you'll create Elephant Drawings in Watercolor Landscapes. All you need to pack is your imagination!

Friday, 5/10, Mirror Mirror on the Wall: Art About Me

In this amazing autobiographical art-venture, discover different ways to tell the story of YOU through art. Use clay to sculpt some of your favorite things (soccer balls, guitars, books, etc.) and then stack them up to build your own "All About Me" Totem Poles. Create colorful metal-embossed artwork inspired by Mexican Hojalata Mirrors. Finally, imagine yourself as a cowboy or cowgirl and draw your own Wanted Poster Self-Portrait.
