Somers Recreation Department BASES After School Program 2021-22

COVID-19 Notice of Risk

Notice of Risk: Please understand that while State of CT, local health department and CDC guidelines will be followed, there is no guarantee of safety from germs that may lead to COVID-19. Each individual family will need to consider the safety precautions that will be followed with fidelity, their personal levels of concern, and their knowledge of their children and personal family circumstances to determine whether or not it is appropriate and safe to consider this program. When you register for this program, you are stating that you understand the risk you are taking during the COVID-19 pandemic situation.

Program:

The BASES After School Program is open to all SES students in grades K-5.

Location:

The program will be located at Somers Elementary School. Pick up will be at the SES Main Gym Entrance along the left side of the school.

Hours of Operation:

The program will run every scheduled school day (M-F) from (approximately) 3:30pm through 6:00pm. The program **will** run on scheduled ½ days of school for the standard 2.5 hours from 12noon-2:30pm with an Extended Care option from 2:30pm-5pm for an additional fee. **The program will not run on school holidays, school snow days, school vacations or on days with early dismissal due to inclement weather.**

Payment Rate:

The cost of the program is \$20 per day. There will be a \$10 sibling discount and a \$10 discount if you register for the entire month. To be eligible for the sibling discount, first child must be registered at the standard rate and additional children registered at the sibling rate. They must all be participating in the same program.

Registration:

Registration must be completed online at somers.recdesk.com. During the registration process, you will be prompted to provide the specific days that your child will be attending.

Once the registration process is completed, the dates that your child will be attending the program will be locked in. **Any request for changes must be received in writing at least two weeks prior to the requested change date, along with any additional payment due.**

Monthly Registration Deadlines:

Registration and payment must be completed by the 15th of each month, for enrollment in the following month (ex: September 15 is the cut-off date for registration for October). Full payment is required in order to complete registration.

Registration is done by the month. The cost of each month will vary based on the number of school days within that particular month. A participant can register up to every school day within each month.

Registration Minimums:

The minimum number of days for participants to be eligible for a given month will be 50% of the total number of program days within that month. There will be no walk-in or single day options for this program. *(Ex: September has 18 days that the program will run. In order to be eligible for the program a participant must be registered for a minimum of 9 days).*

The minimum number of days for participation, and the corresponding monthly costs are final and there will be no reimbursements made for missed days or instances where a participant elects to attend fewer than the total number of minimum days within a month.

Forms:

In order for a child to be registered in the Somers Recreation Department BASES After School Program all necessary paperwork must be completed at the time of registration including, but not necessarily limited to: Student Medical Information, Pick-Up Authorization Form, Monthly Attendance Form, Photo Policy and Accommodation Request Form.

Absence:

If your child is going to be absent from the program, **parents/guardians must call or text** the BASES Program at 860-937-4744 or email afterschoolprogram@somers.k12.ct.us by 12pm on the day of the planned absence.

Refunds:

There will be no refunds for missed days. Extended absences due to illness, verified by a doctor's note, or other extenuating circumstances will be considered on a case by case basis for potential refunds.

Cancellations:

If your child will no longer be attending the BASES After School Program, we require two weeks' notice in writing, and completion of a refund request form in order to receive reimbursement.

Sign In/Sign Out:

The safety of each child is paramount to the Somers Recreation Department staff. **If a child will not be attending the BASES After School Program as scheduled, it is essential that the child's parents call/text the BASES Program Phone at 860-937-4744 to report the child's absence from the program.**

Each day, at the beginning of the program, we will take attendance and sign in the participants. Pick-up will be at the Main Gym Entrance (glass doors) hallway. Participants must be picked up by 6pm. **Park in the first parking area along the left side of the school and call 860-937-4744 to notify the Director that you are there for pick up. The program director will greet you at the gym hallway doors and sign your child out. Participants will not be dismissed if a parent remains in their car.** Please do not go to the school's main entrance to pick up your child.

The staff will require identification for everyone who picks up a child, including parents and guardians. Parents must complete a pick-up authorization form in order to be able to receive a child at pick-up. **Children will not be allowed to leave with anyone who is not listed on the pick-up authorization form.** This rule will be strictly enforced for your child's safety. Please be sure that your pick-up authorization form is up-to-date and accurate. Any updates to the pick-up authorization form should be communicated directly to the Program Director, or the Somers Recreation Department full time staff.

The BASES staff kindly requests that individuals picking up program participants make every effort to refrain from speaking on cell phones. The pick-up period is an opportunity for BASES staff to communicate any pertinent information (behavior, program updates, accidents, etc.) to parents/guardians directly, and we thank you for providing us with the opportunity to converse directly with you during this period.

Parent Communication with Program:

In order to ensure accurate daily rosters and a safe and consistent program environment, families must contact the BASES After School program at 860-937-4744 or afterschoolprogram@somers.k12.ct.us to notify the program of any changes to participant's schedules.

Please note, that simply sending a communication to the SES front office is not sufficient to ensure that the message is received by the Somers Recreation Department and BASES staff. The BASES After School Program is administratively designed and executed by the Somers Recreation Department. All communications must be made, in every instance, directly to the phone number and/or email address provided. Thank you for your assistance and attention to this protocol.

Late Pick-up:

All children must be picked up by 6:00pm. There will be a \$5.00 late fee charged for any participant not picked up by 6:05pm. There will be an additional \$5.00 late charge added for each additional 10 minutes they are not picked up. All late fees are due and payable when they occur. A receipt will be given. We understand emergency situations happen. If you realize you are going to be late, please make arrangements to have someone who is listed on your pick-up authorization form pick up your participant, or contact the Somers Recreation Department so that we can update the pick-up authorization form appropriately.

Late Pick-Up Fee (per child):

6:00-6:10pm = \$5.00

6:11-6:20 = \$10.00

6:21-6:30 = \$15.00

6:31-6:40 = \$20.00

After 6:40pm: police will be notified

Typical Daily Schedule:

Program participants will be brought from their respective classrooms to the gym (or alternate check-in location as needed) to begin the program. Participants will be signed in, and met by the Program Director and/or Program Counselor(s). Once the program begins (approximately 3:20pm-3:30pm) staff will provide a pre-approved snack. Your child is welcome to bring an additional/alternative snack from home. **If your child has an allergy, please be sure to indicate on the appropriate form at the time of registration.** Due to severe allergies the Somers Recreation Department may request that you do not send any foods containing nuts. For applicable participants, we will have a quiet homework period or silent reading time. Participants will then rotate through a series of activities ranging from free play on the playground, to active play in the gymnasium, to more quiet or sedentary activities within the gym.

Extra-Curricular Activities: *If applicable*

Participants in other extra-curricular activities are welcome to register and participate in the BASES After School Program. Families with participants in SES afterschool programs (band, chorus, student council), as well as the BASES After School Program, should notify the Recreation Department, as well as the school office, of their multiple registrations. The BASES After School Program will appropriately coordinate participant movement from one program to the next. There **will not** be a pro-rated or discounted price for participants in multiple after school programs.

Illness or Injury

If a program participant becomes ill or is injured while at the BASES After School Program, the staff will attempt to contact the Parent/Guardian. If the Parent/Guardian cannot be reached, we will try the emergency contacts until we are able to reach someone. Please make sure your emergency contact individuals are aware of their responsibilities. In the event of a medical emergency, program staff will contact 9-1-1 first.

A participant who is not feeling well, or has a fever, should be picked up within one hour of notification from the Program. The Program will provide a rest mat and a quiet area while the child waits.

Children who attend the BASES After School Program should be well enough to follow the standard daily routine and activities of the Program. Children who have a contagious condition, eye ailment, head lice, rash, fever, vomiting, or diarrhea may not attend the BASES After School Program and must be fully recovered before returning to the Program. In some instances, a physician's note may be required.

In the event of an accident or acute illness, every effort will be made to notify the child's parents and physician prior to treatment. If a situation requires immediate attention, 9-1-1 will be called and the child will be transported to the hospital by ambulance.

Please report any changes of emergency contact information, telephone numbers, or addresses to the Program Director as soon as they become available.

Snacks:

Water and snacks are provided upon arrival at the BASES After School Program. If your child has any food allergies, dietary restrictions, or prefers different or additional food, please feel free to send a snack from home.

Outdoor Play:

The children can expect to play outside year-round. Please send your child to school with sunscreen (with their name on it) during the fall and spring as we tend to remain outdoors for up to an hour on nice days. We can store the sunscreen at the program for daily use. Warm clothing, hats, gloves and waterproof boots are necessary for winter months. Children without waterproof boots or snow pants will be asked to stay on shoveled areas. In order to keep our staffing levels at a safe number, we cannot guarantee the ability to offer indoor supervision for children who prefer to remain inside.

Possessions from Home:

Since we cannot guarantee the safe return of all personal belongings, the BASES After School Program requests that any personal possessions be left in backpacks during a child's time in the BASES After School Program.

Behavior Management Policy:

The children and staff of the BASES After School Program are asked to treat each other with respect, tolerance, kindness, and consideration. The rules and behavior expectations utilized by the BASES After School program will be explained to the children clearly and reinforced in a consistent manner. Children will be given reminders and redirection in order to encourage positive behavior. A child who is unkind verbally will be asked to apologize. A child who uses supplies or equipment inappropriately will be restricted from using the supplies or equipment for a short period of time. Any activities where participants purposely exclude another child will not be tolerated. When a child is disruptive or needs time to regain self-control, he or she will be temporarily removed from the group. Under no circumstances will a child be subjected to neglect, physical punishment, verbal abuse or denial of restroom facilities. Parents will be notified if a child exhibits unusual emotional or physical behavior that threatens the wellbeing of the child or others at the BASES After School Program. If a child has specific behavior issues, every effort will be made to implement a behavior management program consistent with the efforts being made at the child's home or in school. If a child's behavior indicates that the Program is not able to meet his or her needs, the Program Director, or an agent of the Somers Recreation Department, may contact the child's parent(s)/guardian(s) to arrange a meeting. A parent/guardian or staff member may also request a meeting.

The Somers Recreation Department reserves the right to terminate the participant's participation in the Program at any time. Pre-paid tuition will be refunded. Any participant who does not accept the physical boundaries of the Program, or exhibits behavior that threatens his or her own safety/wellbeing or the safety/wellbeing of others, is subject to dismissal without notice. Any inappropriate behavior by a parent, including verbal abuse of a child or staff member, or confrontations with staff members in the presence of a child, is grounds for termination from participation in the BASES After School Program.
