INTRO TO DANCE

Intro to Dance with Nicole Torretti

Nicole will teach children the beginning fundamentals of ballet/lyrical, tap and jazz. Students will develop coordination, strength, flexibility, and dance techniques in a nurturing environment.

This class is an excellent way for children to be introduced to a variety of dance styles.

***Dancers should have their hair pulled back, wear comfortable dance clothing such as a leotard and have the appropriate shoes. Please have dancers bring ballet slippers and tap shoes (any color/brand).*
