

SOMERS RECREATION

Summer STEM Program with Minds in Motion

Join Minds in Motion and the Somers Recreation Department for a week of high-quality STEM programming designed to inspire and educate your child in a fun, interesting, hands-on approach workshop.

RE/CO ROBOT

(Ages 8-12) Build and take home your own RE/CO Robot, a mechanical off-roading adventure! It comes equipped with an infrared sensor and artificial intelligence. You can program it with easy direct commands with the freedom of a wireless remote control!

FUTURE ENGINEERS

(Ages 8-12) Take home your very own engineering kit! Build 8 working models such as a crane and windmill and learn how the mechanics and science work. You will also work in groups on our 100 in 1 STEM lab kit and learn about circuits!

July 31st - August 4th

RE/CO ROBOT (9AM-12PM)

Future Engineers (12:30PM-3:30PM)

FEE: \$165/PER PROGRAM/PER PERSON

LOCATION: KIBBE FULLER - 619 Main St.
