Early Release Days with Play-Well TEKnologies!

~ Adventures in STEM with LEGO Materials ~

Let your imagination run wild with tens of thousands of LEGO parts! Build engineer-designed projects and use special pieces to create your own unique designs! Projects are rotated seasonally to ensure that both new and returning students can explore the endless creative possibilities of the LEGO building system!

Sign up for one, two or all three classes! For your convenience, transportation will be provided from SES to Kibbe Fuller!
